

YOUNT RIDGE EPIC 2014

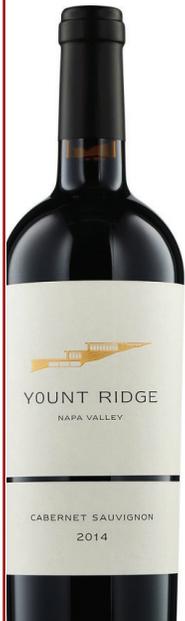

Yount Ridge Cellars EPIC is always a reflection of balance, complexity and flavors of the vineyard using only its finest lots in barrel. The aromas on our collection worthy flagship wine are forward and intense, showing blueberry, marionberry, cranberry, a hint of rhubarb and raspberry. The entry is balanced, soft yet solid. The finish is dense and structural though not coarse. Flavors at the finish show spiced plum, citrus zest, and a sweet earthy note, all wrapped in very fine grained tannins that deliver the age worthiness of this more weighty Cabernet.

YOUNT RIDGE PROPRIETARY BLEND 2014

Exotic, perfumed and complex with curing spice and intense notes of dark chocolate, mocha, and raspberry. Cocoa powder entry with blackberry, exotic and woody notes. Spicy, medium – full bodied blend is nicely balanced between fine grained, espresso lined tannins. Will drink beautifully for a decade.

37% Petite Verdot
35% Merlot
25% Malbec
3% Cabernet Sauvignon

YOUNT RIDGE CABERNET SAUVIGNON 2014

Very forward aromas of spice, earth, root beer and raspberry show the range of Cabernet dimensions in this bright, ripe rendition. Broad at entry, the mid palate shows black cherry notes, along with cola, warm baking spices, cassis and red currant flavors. The finish is long and structural, with a fresh natural acidity. Dense, supple and sinewy.

YOUNT RIDGE SAUVIGNON BLANC

Lemongrass, guava, passion fruit, flint, a touch of creamy vanilla and bright, fresh pineapple dominate the aromas of this intensely aromatic wine. On the palate, the entry is broad and immediately flavorful with tropical fruit essences, caramel and delicate jasmine and orange blossom combined in a layered and lingering finish.

A blend of Sauvignon Blanc and Sauvignon Musqué, the fruit was hand harvested then destemmed and gently pressed. After cold-settling for 72 hours, the clarified juice was gently racked, then barrel fermented. The wine was left sur-lie for six months with bi-weekly battonage.
